Special Circumstances are defined as other situations that, in the opinion of the Dean, are sufficient to warrant delay in taking examinations. **Any student taking delayed examinations must have the prior written approval of the Dean.** No examination may be taken *prior* to the day of the regularly scheduled examination.

If delayed examinations are approved by the Dean, a fee of \$75 will be charged for each such exam taken.

Failure to complete an exam is not sufficient reason for a late or retake exam.
