CLASS DESCRIPTION:	Supervised lab time devoted to the solving of accounting problems.
CLASS OBJECTIVES AND FORMAT OVERVIEW:	The purpose of the lab is to provide the student with supervised time to work on solving the assigned bookkeeping problems for the ACN160C class. Each student is scheduled in a lab hour where a teacher or lab assistant is available to answer questions.
REQUIREMENTS:	Time spent in preparation for or reflection on course lecture will approximate two hours outside of class for each lecture credit hour utilized by the instructor in delivery of the material and ¼ hour outside of class for each hour of structured lab time.
GRADE:	The lab is graded on a pass/fail basis. If the grade for ACN160C is D or better, the grade for ACN16LC is Pass.
ANTICIPATED LEARNING OUTCOMES AND CLASS SCHEDULE:	Since this lab accompanies the ACN160C class, the learning outcomes and schedule would be the same as for ACN160C.
