TEXT AND MATERIALS:	<i>GO! Office 2013 Volume 1</i> . Gaskin. Pearson Education, 2014. (ISBN 9780133142662)  USB drive and headphones
CLASS DESCRIPTION:	This class provides hands-on experience with Microsoft Word and Excel 2013 in addition to online projects. The student will gain experience creating and working with a variety of documents, spreadsheets, charts and the integration of Word and Excel.
CLASS OBJECTIVE:	The objective of this course is to teach the student the fundamentals of Word and Excel 2013.
CLASS FORMAT OVERVIEW:	Class time is spent creating documents and workbooks using Microsoft Word and Excel 2013. It is recommended that students do all of their reading prior to class to prepare for the following day's activities. See your instructor for available lab hours to complete assignments outside of regular class hours.
REQUIREMENTS:	Time spent in preparation for or reflection on course lecture will approximate two hours outside of class for each lecture credit hour utilized by the instructor in delivery of the material and ¼ hour outside of class for each hour of structured lab time.
METHOD OF INSTRUCTION:	Students are required to complete and submit all assignments electronically according to the timeline on the syllabus. Each assignment includes Projects and a Project-Based Assessment at the end of the chapter.
ATTENDANCE:	This course is a lab class that requires daily attendance.
GRADING POLICY:	Students will receive a grade for the work completed at the end of the module.
GRADING :	Grades will be based on the following percentages: <ul style="list-style-type: none"><li>• 100-90      A</li><li>• 80-89      B</li><li>• 70-79      C</li><li>• 60-69      D</li><li>• 59 and below      F</li></ul>

TESTING:	The grade for this class will be an average of all of the assignments submitted.
LATE WORK OR TESTING:	There will be a 10% penalty for all late work and testing. If the work or test is not completed within the scheduled module, all assignments and/or test(s) must be resubmitted for grading.
CHEATING:	“Empire maintains a code of conduct for students that prohibit passing another student’s work as their own.” If students submit duplicate work, each student will be given an opportunity to erase and repeat all class assignments under the direct supervision of an instructor in a computer lab at Empire College. The school’s Code of Conduct and Cheating Policy will be enforced.
FINAL GRADE:	The grade for this class will be an average of all of the assignments submitted.
ANTICIPATED LEARNING OUTCOMES:	<p>By the end of this course, the student will:</p> <ol style="list-style-type: none"> <li>1. Learn the fundamentals of Microsoft Word 2013 including basic document creation; editing, moving, and copying text; tables, textboxes, and shapes; citations, spell check, and PDF.</li> <li>2.
