CLASS DESCRIPTION:

This class is an overview of grape production and winemaking practices, vocabulary, and tasting skills. Students will learn about the different grape varieties and pairing of food and wine.

CLASS OBJECTIVES:

Students will demonstrate an understanding of the wine making process, grape growing, terminology and different varieties. By visiting various local wineries, students will be able to identify what makes each unique.

CLASS FORMAT OVERVIEW:

This class is a combination of lecture, student participation, field trips and on-line research.

REQUIREMENTS:

Time spent in preparation for or reflection on course lecture will approximate two hours outside of class for each lecture credit hour utilized by the instructor in delivery of the material and ¼ hour outside of class for each hour of structured lab time.

METHOD OF INSTRUCTION:

Class work, research using the internet, field trips and homework will give the student experiential opportunities.

ATTENDANCE:

It is expected that each student will be in class when class begins. Should the student arrive more than five minutes late they should notify the instructor of their presence, it will be up to the instructor to decide if the student has arrived in time to be counted as present- the instructor's decision is final. Late arrival to any field trips will not be allowed under any circumstances. It will be the student's responsibility to learn of any assignments given in class when absent

**80% attendance is mandatory**

TESTING:

Students will have a written work during the course and will demonstrate opening, pouring, selecting, and discussing wine. The demonstration will take place in the classroom. The demonstration will offer practical experience for the students who will face questions about (but not limited to) the history of the wine, winery, pouring techniques, and responsible hospitality. All assignments, exercises and final exams must be satisfactorily completed with an overall passing grade of 60% or better in order to pass the course.

LATE TESTING:

There will be no opportunity to make-up any missed assignments, exercises or demonstrations. A student's grade will be dropped one

full grade if they are not ready or absent on the day/s of any schedule demonstration. No exceptions.
