

CLASS NUMBER AND NAME:

**HMN150B – Social Media Marketing**

TOTAL HOURS/ UNITS:

24 HOURS/2 UNITS

PREREQUISITES:

NONE

TEXTS AND MATERIALS:

None

CLASS DESCRIPTION:

A thorough discussion of what are social media, changing technologies, the Social Media Value Chain, major zones associated with social media, and how these make up the channels, modes, and vehicles for social media participation. Students will examine the objectives of social media marketing and how these can be incorporated into a marketing mix for any organization. The class will examine current social technographics to determine marketing strategies and tactics in a highly competitive marketplace, particularly in services marketing.

CLASS OBJECTIVES:

This class provides an overview of the world of Social Media Marketing in an ever-changing technology environment. This brief introduction is meant to acquaint students to the world of social media marketing, particularly in services marketing, from the viewpoint of the marketer versus the user.

CLASS FORMAT OVERVIEW:

This class is a combination of lecture and student participation.

REQUIREMENTS:

Time spent in preparation for or reflection on course lecture will approximate two hours outside of class for each lecture credit hour utilized by the instructor in delivery of the material and ¼ hour outside of class for each hour of structured lab time.

METHOD OF INSTRUCTION:

Each topic will be discussed thoroughly and will be supplemented with written materials. Class work and homework will be assigned to engage the student.

ATTENDANCE:

It is expected that each student will be in class when class begins. Should the student arrive more than five minutes late they should notify the instructor of their presence, it will be up to the instructor to decide if the student has arrived in time to be counted as present- the instructor's decision is final.

**80% attendance is mandatory**

**90% or above is mandatory for those who are in a full program and qualify for the internship**

It will be the student's responsibility to learn of any assignments given in class when absent.

TESTING:

A final exam will be given during the sixth week of the module. All assignments and exercises must be satisfactorily completed with an

overall passing grade of 60% or better in order to pass the class.

**LATE TESTING:**

A late test will result in a 10% penalty (tests start with a B). All retakes and tests must be rescheduled with the instructor in a timely manner.

**GRADING POLICIES:**

Complete all assignments with at least 60% accuracy.

The students will participate in a minimum of 90% of in-class group assignments.

The final grade is computed on:

- |                                 |     |
|---------------------------------|-----|
| 1. Exam                         | 30% |
| 2. Assignments                  | 50% |
| 3. Attendance and participation | 20% |

90-100%	A
80-89%	B
70-79%	C
60-69%	D
0-59%	F
