

CMN310P—Comprehensive PowerPoint

CLASS NUMBER AND NAME:	CMN310P—Comprehensive PowerPoint
TOTAL CLOCK HOURS/UNITS:	24 HOURS/1 UNIT
PREREQUISITE:	CMN192B—Office: An Overview of Access and PowerPoint
TEXT AND MATERIALS:	<i>GO! PowerPoint 2013 Comprehensive</i> . Gaskin. Pearson Education, 2014. (ISBN 9780133415063) USB drive and headphones
CLASS DESCRIPTION:	This class provides hands-on experience with advanced features of Microsoft PowerPoint. Topics include: formatting, animation, video, table and charts, delivering and publishing presentations. After completing this course, the student will be prepared for the MOS certification prep course and exam.
CLASS OBJECTIVE:	The objectives of this class are to familiarize the students with a variety of PowerPoint features.
CLASS FORMAT OVERVIEW:	This class is in a lab setting.
REQUIREMENTS:	Time spent in preparation for or reflection on course lecture will approximate two hours outside of class for each lecture credit hour utilized by the instructor in delivery of the material and ¼ hour outside of class for each hour of structured lab time.
METHOD OF INSTRUCTION:	Students are required to complete and submit all assignments for grading. Each assignment includes more than one exercise and/or set of problems. Each assignment <u>must</u> contain all of the exercises and problems listed for credit to be received. Any incomplete assignments will be returned to the student to be completed.
TESTING:	There will be a project/final exam at the end of this class.
ATTENDANCE:	Although this class is in a lab setting, attendance is required.
LATE WORK OR TESTING:	There may be a 10% penalty for all late work and testing. If the work or test is not completed within the scheduled module, all assignments and/or test(s) must be resubmitted for grading.
CHEATING:	“Empire maintains a code of conduct for students that prohibit passing another student’s work as their own.” If students submit duplicate work, each student will be given an opportunity to erase and repeat all class assignments under the direct supervision of an instructor in a computer lab at Empire College. The school’s Code of Conduct and Cheating Policy will be enforced.

GRADING POLICY:

Students will receive a grade for the work completed at the end of the module.

GRADING:

Grades will be based on the following percentages:

- 100-90 A
- 80-89 B
- 70-79 C
- 60-69 D
- 59 and below F

FINAL GRADE:

The final grade will be the result of completing all of the assignments including textbook and online requirements as stated in the syllabus.

**ANTICIPATED LEARNING

GRADER PROJECT

To complete the Grader project:

Step A: Download and print the instructions. Use the same process to download the files you used when you downloaded the student files.

Step B: Download each of the student files. DO NOT change the file names.

Step C: Complete the assignment. If you do not complete the assignment in one sitting, you can save and open again to complete the assignment.

Step D: Upload Completed File, choose file, and Upload.

Step E: FINISH: Submit for Grading. You should receive a confirmation message that the file has been successfully submitted. You can submit your Grader assignment 2 times and the best score will be recorded.

To view your submission, locate your assignment in the Grades area. Hoover over the assignment name or grade. Click the arrow to the right to open the Options menu. Click View Submissions, which will display the details of your submission. You can also download submission with Live Comments to see how many points you lost and why.

The online interactive Student User Guide with detailed instructions and graphics is available on this page in the upper right top corner under Help and Support then User Guide.

If you completed CMN192B (Access/PowerPoint), skip Chapters 1, 2, and 3 and start on Chapter 4
