

ISSUE LIST – FAMILY REUNION

JED v. SUE

IIED?—Jed feels humiliated by losing so badly and then by Sue taunting him. Doubtful if it really rises to level of IIED.

LIN v. ZAC

Assault—shoving frog up to her face

Battery—dropping frog down back of her shirt

IIED?—she hates slimy things and having a frog down her shirt would be terrible and would also ruin her pose in the family picture

JED v. HAL

Trespass to Chattels—charring steak

Conversion—charring steak, could be either one depending on how substantial jury believes the interference to be

HAL v. JED

False Imprisonment?—forced into confined, bounded area (car), but does he have reasonable means of escape?

LIN v. JED

Negligence—careless driving, knocks her off bike, injury to her and ruins bike

SUE AND HAL v. JED

NIED—Sue in the zone of danger, witnesses injury to daughter, physical manifestation of emotional damage. Hal in car, so basically in zone of danger though he's not in danger. Facts don't say if he's contemporaneously aware of accident.
