CLINIC DESCRIPTION (from catalog):	This clinic provides students with real life client counseling opportunities with members of our agricultural community. The clinic allows students to interact with clients, provide advice, follow-up, and direct clients to legal and non-legal resources. Students will draft legal documents and correspondence under the supervision of a practicing attorney. The clinic will provide the public with free legal advice.
CLINIC OBJECTIVES / ANTICIPATED LEARNING OUTCOMES: (Description of what students will be expected to know and be able to do at the end of the Clinic. What skills or knowledge will be gained by the end of the Clinic.)	<ol style="list-style-type: none"> 1. Learn to conduct a client interview 2. Learn to build a client file 3. Conduct research related to case 4. Prepare documents to support case 5. Develop and demonstrate case follow-up skills and habits 6. Demonstrate presentation skills by presenting their topic paper. 7. Demonstrate and practice empathetic listening and patience 8. Direct people to regulatory agencies 9. Develop working relationships with regulatory agencies and learn to successfully interact with environmental groups and other public interest groups.
FORMAT OVERVIEW / METHOD OF INSTRUCTION: (Description of how the clinic will be taught, including breakdown of lecture, practicum, etc.)	Students will interact with clients, provide advice, and follow up and direct clients to legal and non-legal resources. The students will draft legal documents and correspondence under supervision of a practicing attorney. Attorney Tina Wallis will supervise all work done in the clinic. Students will meet weekly prior to the start of the clinic to discuss the status of the cases, issues or documents on which they are working, and for the weekly lecture discussion. Periodically, handouts are distributed for reading and discussions.
EXAMS:	No exam is administered in this clinic. Students will prepare and

	<p>present a paper/pamphlet on a topic of their choice. (Topic must be approved by instructor). The paper will be written about a legal topic of interest our small farmers and will be written for the layperson. The paper will be provided to the clinic staff in “Microsoft Word” format. The presentation will be made to the class and may also be presented to members our agricultural community or public agency staff members, or both. Twenty (20) copies of the paper must be brought to the presentation. The paper will be in lieu of a final.</p>
<p>GRADING / ASSESSMENT CRITERIA / CLASS POLICIES:</p>	<p>Empire College uses the following grading system for Clinics:</p> <p><u>Pass/Fail:</u> 65 - 100 - P Pass/Credit 64 and Below - F Fail/No Credit</p> <p>Pass/fail student grades are based on participation in the clinic, which includes regular attendance, completion of assignments, client work and/or research in a timely manner, and dressing and acting in a professional manner.</p> <p>Clinic participation and attendance are mandatory; cell phones and electronic communications are prohibited during clinic time. Regular and punctual attendance is essential for the successful completion of law school. As the clinic deals with real legal issues students should plan to attend every class. If you miss or are unprepared more than two (2) classes or fail to complete assignment(s) on time, you will receive an F or no-pass grade. Roll will be taken at each class. If you are more than ten minutes late to class you will be marked absent. All assignments must be typed, proofread, spell checked and are due no later than the Monday following the clinic at 12:00 noon for editing, unless prior approval is granted by instructor. All assignments and correspondence <u>must</u> have instructor approval prior to communicating with client.</p> <p>Grades are earned/calculated based on: 60% participation and attendance 40% paper/pamphlet and presentation (See details in Final Week 15 below.)</p>
<p>ATTENDANCE:</p>	<p>Under the standards of the Committee of Bar Examiners of the State Bar of California, “regular and punctual attendance” is necessary to satisfy residency requirements. Students should plan to attend all classes. A minimum of 80 percent attendance is required in each course/clinic. The instructor will take roll at each planned meeting. Make-up sessions will be scheduled at professor’s discretion. A student who has exceeded the absence limits outlined will be automatically dropped from the course.</p> <p>If you miss or are unprepared more than two (2) classes or fail to complete assignment(s) on time, you will receive an F or no-pass grade. Roll will be taken at each class. If you are more than ten minutes late to class you will be marked absent. All assignments must be typed, proofread, spell checked and are due no later than</p>

	the Monday following the clinic at 12:00 noon for editing, unless prior approval is granted by instructor.
ASSIGNMENTS:	
Weeks 1 & 2: 1/4/16 and 1/11/16 The training sessions will be held at Empire College. NOTE: The third week of Class is Martin Luther King Day. A make up session for training may be held. Students will be asked about their availability for a make up class prior to January 25, 2016 upon enrollment.	Prior to Week 1, please skim <i>Environmental Law for Non-Lawyers</i> . After that the clinic will be held at Empire College unless another location becomes available. Introduction to a broad range of environmental issues facing our agricultural community such as: code enforcement, allegations of environmental crimes, vineyard development challenges, endangered species issues (e.g. the California Tiger Salamander), water quality issues, allegedly illegal water diversions, frost protection issues, new groundwater regulations and how to prevent issues and minimize risk with good contracts, insurance, and indemnification provisions.
Weeks 3: 1/25/16	Client counseling begins at Empire or another location in Santa Rosa. Students must attend the first three classes and complete required reading to begin client counseling.
Weeks 4-14: 1/25/16-4/25/16	Remainder of classes consists of client counseling and advice. The beginning of class will be a forum for student questions regarding legal advice to Professor and advisory board students. Students will meet with clients at Empire or another location in Santa Rosa. Students may be asked to make site visits on certain occasions to view conditions first hand.
Final Week 15: date TBA	Students will also prepare and present a paper/pamphlet on a topic of their choice. (Topic must be approved by instructor). The paper will be written about a legal topic of interest to our agricultural community and will be written for the layperson. The paper will be provided to the clinic staff in Microsoft Word format. The presentation will be made to the class and may also be to members of our agricultural community and/or public agencies. Twenty (20) copies of the paper must be brought to the presentation. The paper will be in lieu of a final.

Syllabus subject to change.
