
Medical Assistant Essentials

Objective: This program includes extensive instruction in medical terminology, medical office procedures, anatomy and physiology, basic healthcare math, as well as instruction in basic insurance knowledge and pharmacology. In addition to clinical procedures, qualified students participate in a 168-hour externship. Students completing this course are prepared for entry-level front or back office medical assisting positions in doctor's offices, hospitals (such as diagnostic testing and outpatient areas), health centers, and other medical institutions. Emphasis on vocational training is consistent with the mission of the College.

Note: All units in this program are transferable to the Specialized Associate Degree – Clinical Medical Professional program.

Department of Labor Standard Occupational Classification (SOC) Code(s): 31-9092.00 - Medical Assistants.

CIP Code: 51.0801 – Medical/Clinical Assistant.

Expected Educational Outcomes: Upon completing the Clinical Medi

Expected Educational Outcomes: Upon completing the Medical Assistant Essentials program, students will have demonstrated:

1. The critical skills necessary to properly perform the various clinical duties using universal precautions (a set of guidelines set forth by OSHA).
2. Expanded focus regarding current medical issues such as laws, ethics, insurances, scope of practice, and electronic health records.
3. The important role and responsibilities of a medical assistant.
4. Readiness to sit for the California Certified Medical Assistant, Registered Medical Assistant, or National Certified Medical Assistant exam to become a Certified Medical Assistant.

Diploma awarded upon successful completion of all graduation requirements.
